

January 2022

CHIEF'S REPORT

STAFF RECOGNITION

Engine Company 3374 Campo Fire Station #40

On Friday December 24th, 2021 at approximately 3pm, E3374 with Engineer Jason Robertson, Firefighter Gerardo Perez, and Firefighter Joshua Hoyt was traveling westbound on Interstate 8 towards El Cajon.

As they approached the West Willows bridge they noticed a man on the top edge of the bridge and multiple vehicles stopped. Realizing that something was wrong, E3374 exited the freeway and drove to the center of the bridge where they found a man standing at the edge, looking at the freeway below. All agreed that it appeared the man was readying to jump from the bridge.

Engineer Robertson directed Firefighter Perez and Firefighter Hoyt to manage traffic control and maintain safety. Engineer Robertson then approached the man and calmly talked with him until CHP arrived and assisted in helping the man from the bridge. The gentleman was transported for treatment.

Please join the Leadership Team in recognizing the extraordinary efforts of these three individuals.

**Fire Apparatus Engineer
Jason Robertson**

Firefighter Joshua Hoyt

Firefighter Gerardo Perez

ORGANIZATION ACTIVITIES

- San Diego sent eight State Type III Engines to the Colorado Incident in the Big Sur area of Monterey County, pictured on page 2.
- A vehicle fire spread into the vegetation in the Wildcat Canyon area of Lakeside sparking a 9 acre brush fire, pictured on page 8. Other significant incidents included a fire in a transborder train tunnel, pictured on page 19, and a structure fire in Lake Morena, pictured on page 13.
- Members of the Organization completed a three day RIC (Rapid Intervention Crew) Operations class practicing ladder rescues, drag and carries, and thermal imaging camera rescues, pictured on page 3. Other training provided this month includes Firefighter Safety and Survival and Fire Control 3, pictured on page 14.
- San Diego County CERT held an outreach program at six fire stations to teach community members how to plan for an emergency evacuation and pack a 72-hour go bag.
- Fuel reduction efforts continue in the San Diego Country Estates area of Ramona, pictured on page 16.
- On January 25th San Diego County Fire updated the Board of Supervisors on potential plans to install heli-hydrants in strategically identified locations throughout the backcountry. Staff is currently working to develop an implementation plan that will be brought back to the Board this fall.
- San Diego County Fire and the San Diego County EMS Office coordinated with other first responder agencies to activate an ambulance strike team to address long transfer of care times in emergency rooms

BUREAU REPORTS

EMERGENCY COMMAND CENTER

2,068 Emergency Calls received

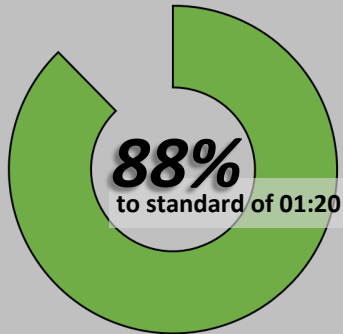

99.3% of Emergency Calls answered within 10 seconds

2,156 total Emergency Incidents dispatched

The Department has a standard of processing emergency incidents within **1 minute 20 seconds (01:20)** of receipt. The Department's goal is to meet that standard on **90% of emergency incidents.**

01:32 performance on 90% of emergency incidents

PUBLIC EDUCATION

The Public Education group distributed information to the community through social media platforms:

- Firefighter I Hiring
- Fuels Reduction work in the Ramona Country Estates
- Home Fires, Family Exit Planning
- Home Heating Fire Safety Tips
- 2021 Statewide and Unit Statistics

Firefighters from Jamul Station 36 participated in the Great Kindness Challenge at Jamul Elementary School.

TRAINING

The Department completed 4,180 training assignments

The Department completed 7,019 training hours

VOLUNTEER RESERVE PROGRAM

The program currently has 39 active Volunteer Reserves

- Volunteer Reserves served 13 shifts
- 5% of active Volunteer Reserves served 3 or more shifts
- 18% of active Volunteer Reserves served at least 1 shift
